OUR ENVIRONMENTAL CONNECTION

HALCON's commitment to good stewardship and environmentalism is neither new nor driven by market trends, but rather part of our core philosophy that has been present since the inception of the company.

All of our wood products are FSC certified, which provide assurance that the wood in our products are harvested from responsibly managed forests around the world. In addition, HALCON products are IAQ Gold Certified by Intertek, a third party certifying body, demonstrating our commitment to the health and wellbeing of our communities and customers.
